

**Application/Long Term Planning Committee Meeting
(Committee of the Stamford Harbor Commission)**

Date: Tuesday, April 16, 2013

Time: 5:00 p.m.

**Location: Operations Conference Room – Tenth Floor
Stamford Government Center
888 Washington Boulevard
Stamford, Connecticut 06901**

Committee Members: Paul Adelberg; Jack Conklin; Art Ruffles; Mike Pensiero

Discussion: The first two are the Wallacks Point applications for piers and docks, 1) One applicant is Harvey at 52 Wallacks Drive and the 2) applicant is McLeod at 411 Soundview Avenue. Geoff Steadman received the applications from Kristen when he was in Hartford on another matter last week. A representative of OCC, the consultant group that did both of these application will be at the meeting with full size drawings to present the proposed permit applications for the piers and docks. 3) The third application is for Brewers Yacht Haven East for what I understand was a dock improvement. I have not seen the application on the Brewers' application yet because it was just received at Government Center.
