ENVIRONMENTAL PROTECTION BOARD

CONTRACTOR'S COMPLIANCE STATEMENT

As the contractor engaged by _____ to perform the regulated activities described in Environmental Protection Board Permit No. _____, I have read the permit and will conform to the specific plans and comply with all of the conditions listed. I acknowledge the following:

- 1.) Failure to conform with the approved plans, and/or comply with the conditions of approval may result in the suspension or revocation of the permit.
- 2.) Failure to complete the project in conformance with the approved plans and permit requirements may result in a failure to obtain an endorsement from EPB staff for the issuance of a Certificate of Occupancy.
- 3.) Any changes to project design, or revision to the project plans, require review and approval of EPB staff.
- 4.) All required layouts, certifications and as-built plans must be prepared by qualified professionals and may require inspections by those professionals at specific intervals during site development. (The delineation of construction limits, property boundaries, and other boundaries, may require the services of a Connecticut licensed land surveyor. Drainage improvements may require inspection and certification by a Connecticut registered professional engineer.)
