Chairman's Report:

- Picture of MMCC logo – reminder of what it looks like
- Flags project – meeting with Mill River Collaboration to move forward

Old Business:

- Children's parade (Chair: John Mallozzi) – to include a festival after the parade. Tentative date in October, week after Columbus Day. Suggested locations for the event – Cove Park, Mill River Park, Harbor Point, Boyle Stadium, and Scalzzi Park. Some of these venues will not allow outside food to be brought in. We will need major sponsors. Team will meet next week to get a plan in place. Also suggested – bringing in food trucks who would pay a fee, and/or have restaurant participation
- International Restaurant week – Shelly to contact New England Culinary Group to see if they are willing to help us organize the event. The week should end the day of the children's parade and concert.
- International day should be the same day as the children's parade

New Business:

- My Neighbor's Faith (Chair: Rolita James) – May 4, 2014. Table to mix and mingle. Gifts from other faith – youth participation. Meeting to be held with team for further planning – Nino to send out email to this committee. This project is a collaboration of the Ferguson Library and the Interfaith Council. The library has offered the use of a room for any other events we may have.
- PASSION and MMCC – Three year project on bridging gap on debt repair, hardship letter, investment, etc
- Jere – suggested as a group to visit each other churches, once per month, to close the gap on getting to understand each others religion.
