Michael Handler called the meeting to order at 9:05 a.m. A quorum was present.

Second half billing of the Tax Abatement properties for FY 2013/14. A schedule of the properties, which detailed FY2014 second half billing amounts for assessment year 2012, was distributed. Any credits or adjustments since the first half billing are reflected in the schedule. State grants were estimated at FY2013 levels. If State grant amounts differ, third billing will be adjusted accordingly. The bills for the properties are calculated according to their individual agreements and require current audits and State grant information.

After discussion, a motion was made and seconded to accept the schedule as presented. The motion carried unanimously (3-0-0).
