Government Center Parking Garage to Undergo Repairs
Parking will be Limited through September 8

STAMFORD, CT – The Stamford Government Center parking garage will be undergoing repairs from August 2 – September 8, which will limit the availability of parking for visitors. Parking will be limited to the first floor of the garage for most of this period.

The public is encouraged to allot extra time when visiting the Government Center and park at the Bell Street Garage should the first floor be full.

All City of Stamford employees, staff, tenants and vendors will be required to park in the Bell Street Garage until the repairs are complete.
