Mayor's Statement on Passing of Ernest DiMattia, Jr.

STAMFORD, CT – Mayor David Martin released the following statement upon learning of the passing of Ernest DiMattia, Jr., Ferguson Library President.

“Judy and I are deeply saddened to hear of Ernie’s passing. The City of Stamford was extremely fortunate to have had a man like Ernie DiMattia, a man who had extraordinary passion and believed that the people of Stamford deserved the absolute best that libraries could offer. He was a man who also loved the arts and worked tirelessly to ensure that everyone in our city might be given an opportunity to enjoy them. Stamford’s libraries will always stand as a reminder of the legacy of a truly great man who cared for every person who entered their doors.”
