### **Scofieldtown Road Recycling Center to Suspend Services**

STAMFORD, CT – The Recycling Division issued the following alert regarding the suspension of services at the Scofieldtown Road Recycling Center beginning on March 31.

“The Scofieldtown Road Recycling Center, located at the corner of Scofieldtown Road and Rockrimmon Road, will be closed beginning on Monday, March 31. This is due to the beginning of the capping work required by the DEEP for the old landfill at that location.

All equipment at that location will be removed due to the tree work that will begin on April 1. The paper shredder will be relocated to the Katrina Mygatt Recycling Center at 130 Magee Ave.

Due to the length and nature of the capping project, services will be suspended for the remainder of the year. The City will provide updates regarding the status and potential re-opening of the Center when possible.

Residents are encouraged to use the Katrina Mygatt Recycling Center during this period. The Center is open 6 days a week, Monday through Friday from 7:30 a.m. – 3:00 p.m. and on Saturdays from 8:30 a.m. to 2:30 p.m.”
