

Order of Magnitude Cost Estimates Municipal Buildings \$671,608

M1 – Government Center

- Assistive Listening Systems(three rooms capacity 50 or less \$3,642, three rooms capacity 100 \$5,064): \$ 8,706
- Limited-Use / Limited-Application (LULA) Elevator (Vault room) \$65,000
- Alteration to 19 toilet rooms (automatic door openers, wheelchair accessible compartments, lavatories, thresholds, door hardware, etc.): \$78,524
- 10 Accessible parking spaces with access aisles and one van accessible space with access aisle: \$700
- 10 Drinking fountains: \$9,720
- Signage: \$10,875
- 15 Accessible counters: \$ 6,375
- 15 Accessible work surfaces (with 27” min. knee clearance): \$ 6,750
- Alteration to ramp (Senior Center): \$2,952
- Miscellaneous corrective actions (Curb ramps, automatic door in garage, door hardware, mats, sinks, etc.) \$5,731

Total: \$ 195,333

M2 - Old Town Hall

- Exterior stairwell lift: \$36,605
- Doors hardware: \$2,880
- Two accessible drinking fountains for standing persons: \$3,892

- Miscellaneous corrective actions (signage, accessible routes, accessories at toilet rooms, accessible counters, etc.) \$5,050
- **Total: \$48,427**

M3 - Stamford Historical Society

- Vertical platform lift: \$ 10,615
- Repair to exterior ramp: \$2,952
- Repairs to provide accessible routes: \$2,328
- ADA compliant hardware for 13 door knobs: \$3,120
- Assistive Listening System: \$1,688
- Miscellaneous corrective actions (accessible parking space, handrails, automatic door opener, thresholds, signage, flush control at toilet room, etc.): \$6,113

Total: \$ 26,816

M4 - Animal Control Center

- Renovation to toilet rooms: \$11,107
- Miscellaneous corrective actions (accessible routes to all elements in the Animal Control Center, directional signage, one van accessible space and an access aisle, an accessible picnic table, etc.) \$2,288

Total: \$13,395

M5 – Glenbrook Community Center

- ADA complaint ramp: \$5,904
- Accessible toilet rooms (classroom 1 & 2): \$4,277
- Renovation at boy’s and girl’s multi-user toilet rooms: \$10,646
- Accessible route in playground and around play components: \$10,890

- Four accessible drinking fountains: \$5,927
- Eight automatic door openers: \$10,624
- Miscellaneous corrective actions (accessible parking, thresholds, widen doors, accessible counter at kitchen, signage, picnic table, etc.): \$3,697

Total: \$51,965

M6 – Lathon Wilder Community Center

- Alteration to toilet rooms (multi-users and single users): \$35,866
- Alteration to men’s and women’s locker rooms: \$ 13,633
- Accessible routes (around the Community Center and to the playground) \$4,470
- Signage: 4,125
- Miscellaneous corrective actions (Assistive Listening System, drinking fountain for standing persons, accessible counters, accessible work surfaces, ADA compliant walk-off mat, etc.): \$8,331

Total: \$ 66,425

M7 – Yerwood Community Center

- Accessible routes (including ramps on 1st and 2nd floors and accessible route inside the play area): \$7,625
- Alteration to toilet rooms: \$4,076
- Signage: \$4,151
- Five automatic door openers: \$6,640
- Miscellaneous corrective actions (van accessible parking space, handrail extensions, accessible hardware at doors, accessible counters, drinking fountain, etc.): \$5,462

Total: \$ 27,954

M8 - Bedford Street Parking Garage

- Eight accessible parking spaces (2nd and 3rd levels): \$3,600
- ADA Ramp: \$2,952
- Four curb ramps to provide accessible routes to elevator and pay station: \$5,760
- Miscellaneous corrective actions (accessible aisles, signs at parking spaces, door hardware, etc.) \$890

Total: \$12,802

M9 - Bell Street Parking Garage

- 13 accessible parking spaces (located near elevators on 2nd, 3rd and 4th floors): \$4,316
- Accessible routes to elevator and pay station: \$15,840
- Miscellaneous corrective actions (thresholds, hardware at doors, etc.) \$1,240

Total: \$21,396

M10 - Summer Street Parking Garage

- Accessible routes (around the Parking Garage): \$5,760
- Accessible routes (in the Parking Garage): \$6,092
- Miscellaneous corrective actions (slopes at parking spaces and access aisles, widen of access aisles, compliant sign at the van accessible spaces, etc.): \$1,070

Total: \$ 12,922

M11 - Recycling Center

- Miscellaneous corrective actions (accessible route to all elements in the Recycling Center, accessible parking, etc.) \$2,841

Total: \$ 2,841

M12 - Scale House

- Miscellaneous corrective actions (accessible route to the reception area.) \$1,440

Total: \$ 1,440

M13 - Police Headquarters

This facility was not surveyed; instead, IHCD will conduct a plan review of the proposed plans.

F1 – Belltown Fire Station

- Miscellaneous corrective actions (accessible asphalt route, accessible work surface, lavatory, door hardware, signage, etc.): \$7,091

Total: \$7,091

F2 – Central Fire Headquarters

- Ramp to main entrance: \$15,590
- Alteration to toilet rooms: 8,111
- Two single user toilet rooms (1st and 2nd floors): \$23,424
- Alteration to elevator: \$2,196
- Miscellaneous corrective actions (Accessible parking spaces, automatic door opener, assistive listening system, signage, etc.): \$3,533

Total: \$52,854

F3 – Fire Maintenance Building

- Renovation to toilet room: \$3,436
- Miscellaneous corrective actions (accessible parking, accessible route to main entrance, signage, etc.): \$2,148

Total: \$5,584

F4 – Glenbrook Fire Station

- Miscellaneous corrective actions (Signage, flush control, folding vertical grab bar, high water fountain, accessible parking, etc.): \$3,813

• **Total: \$3,102**

F5 – Shippan Fire Station

- One accessible toilet room: \$5,777
- Miscellaneous corrective actions (door hardware, insulate lavatory pipes, one van accessible parking space, etc.): \$1,446

Total: \$7,223

F6 – South End Fire Station

- Miscellaneous corrective actions (Lower counter, one accessible phone, rear grab bar, one van accessible parking space and access aisle, etc.): \$3,765

Total: \$3,765

F 7 – Springdale Fire Station

- Miscellaneous corrective actions (Grade entrance to 5% max, one van accessible parking space, accessible telephone, etc.): \$1,883

Total: \$1,826

F8 – Turn of River Fire Station 2

- Accessible route to entrance: \$340
- Alteration to toilet rooms: \$11,712

- Miscellaneous corrective actions (automatic door opener, handrails, thresholds, signage, etc.): \$3,052

Total: \$15,104

F9 – Turn of River Fire Station 1

- Limited Use/Limited Application (LULA) elevator: \$65,000
- Assistive listening system: \$1,688
- Miscellaneous corrective actions (signage, one accessible parking space, hi/low drinking fountain, door hardware, thresholds, etc.): \$5,890

Total: \$72,570

F10 – West Side Fire Station

- Curb ramp at three locations: \$4,320
- Miscellaneous corrective actions (grab bar, insulate lavatory pipes, accessible counter, etc.): \$2,636

Total: \$6,956

F11 – Woodside Fire Station

- Provide one single-user accessible toilet room: \$ 11,712
- Miscellaneous corrective actions (Grade entrance to 5% max, lower service counter, replace door hardware, one accessible parking space, etc.): \$2,105

Total: \$13,817

Total for Municipal Buildings:
