CITY OF STAMFORD  
DEPARTMENT OF HEALTH & SOCIAL SERVICES  
STAMFORD GOVERNMENT CENTER  
888 WASHINGTON BOULEVARD  
P.O. BOX 10152  
STAMFORD, CT 06904-2152

The City of Stamford's Department of Health & Social Services has implemented a Pool Safety Program with funding from the U.S. Consumer Product Safety Commission (CPSC). The program is intended to offer educational information on pool safety, safe swimming practices and pool water quality. It is designed to teach parents and families fundamental water safety procedures to follow at public and residential pools and spas, as well as how to best teach children how to be safer in and around the water.

The City of Stamford Environmental Health Inspectors and Recreation staff will provide pool safety classes for public and residential pool owners. Classes will include instruction on Connecticut's Residential Code Requirements for Pools & Spas. There will also be discussions on the standards under the swimming pool and spa safety law and how to prevent the drowning or entrapment of children who use swimming pools and spas.

The classes will be held at the City of Stamford Government Center in the 6<sup>th</sup> floor Safety Training Room on Wednesday August 17 2016 from 5:30 pm to 7:00pm & Saturday August 27, 2016 from 10:00am to 12:00pm. We invite you to attend one of the classes and learn more about our pool safety program.
