- In preparation for this public hearing, a reassessment of the trees was conducted with the following findings:
 - Originally 16 trees were posted for removal, two of the trees which are at 104 Lenox Avenue have been previously trimmed and are not on this updated list.
 - One tree at 12 Lenox Avenue which was scheduled for trimming on the date of original posting was also reassessed.
 - Which brings us to an updated total of 15 trees being reassessed.
 - The following slides will show you the condition of these 15 trees.
