

Cannabis Dispensaries & Smoke Shops (224-14)

Cannabis Dispensaries

- Would reduce number of permitted Cannabis Dispensaries from 5 to 4.
- Would create distance requirements from City parks and beaches (500') and community centers (1,000'), in addition to distance from public and private schools
- Would prohibit dispensaries in certain districts, permits them in Downtown
- Would prohibit dispensaries on lots directly adjacent to residential districts

Smoke Shops

- Would create distance requirement from city parks and beaches, and community centers (1,000')
- Would reduce number of zoning districts where smoke shops are allowed
- Special Permit would be required if more than 10% of retail area are dedicated to sale of tobacco products (currently: 50%)
