**Re: 0 West Park Place (004-4021)**  
**Final Site & Architectural Plans and/or Requested Uses applications**

Dear Mr. Blessing and Board Members,

As discussed, on behalf of Tullamore LLC (contract purchaser), we are writing to formally withdraw Text Change Application 223-47. Pursuant to recently adopted parking regulations, the proposed Text Change is no longer warranted. We are also amending the Special Permit requests of Application 223-48 accordingly. The site and architectural plans remain as originally submitted.

In support of the changes, enclosed please find:

1. Revised Project Narrative;
2. Revised Zoning Data Chart;

Please feel free to contact us with any questions or comments. We look forward to presenting the application at the next available Zoning Board hearing.

Sincerely,

Raymond R. Mazzeo, AICP
