Personnel Update: Mayor would like us at 300 budgeted and we are at 287. We are in the hiring process now. Meeting then went into Executive Session

Administrative & Operations Report: We are currently hiring and looking to hire 15-20 for our New Academy to get to our 300 budget. Two are graduating from the New Haven Academy next week to join our department.

Community Engagement: A lot of the Community has been nervous regarding deportation. We have been reaching out to put the community at ease. ICE has been here about 6 times. We do not assist them; they are usual at the Courthouse.

Old/New Business: Budget Proposal meeting on 3/5/2025 going from 287 to 300 and why we need it. As our population grows the department needs to also grow to protect our City. Also, looking into a Drone as a First Responder Program (DFR). 2 Drones housed in the City. It will drop a pin and the Drone will automatically go to that pin and cover the city within 90 seconds of that pin drop. Finalizing the contact now with Police, Fire and 911, looking to have operational by May 1st
