Mr. John Louizos, Chair  
Board of Finance  
Government Center  
Stamford, CT 06904-2152

Dear John:

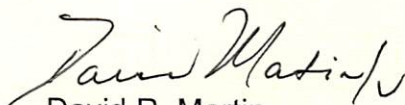

I write to request that the Board of Finance delay its mill-rate setting meeting from Thursday, May 15, 2014 to Tuesday, May 20, 2014.

This request is necessary to allow the Office of Administration to continue its work on updating and validating the revenue assumptions based on the most recent data.

When setting the mill rate, my administration wants to ensure that the Board of Finance is provided with the most up-to-date and accurate numbers. The extra time is critical to that goal.

Thank you for your consideration.

Very truly yours,

  
David R. Martin
