Regular Meeting

Tuesday, August 20, 2013:7:00 PM
Board of Finance Meeting Room, 4th Floor

Call to Order: Chairman Abbazia

Pledge of Allegiance: To be led by Chairman Abbazia

Approval of Minutes: July 11, 2013: 7:00 PM: Regular Meeting: **Approved 6-0-0** **Approved**
Motion: G. Bosak; Second: J. Louizos **As Noted**
July 29, 2013: 5:45 PM: Special Meeting: **Approved 5-0-1**
Motion: G. Bosak; Second: K. Murphy. Abstention by M.
Rinaldi, noting she was out of the country for this meeting.

Public Participation:

Reports to the Board: Mr. Louizos stated that he conducted an Education Committee meeting this evening, noting that due to some procedural issues, the meeting started later than the 5:00 start time, and ended earlier due to a Planning Board meeting requiring attendance by the Board of Education members who were participants at this meeting. Mr. Louizos stated that after 6 months of analysis by the schools regarding school safety upgrades, with police department input and updates and follow-through conducted by this Committee, the Board of Education approved an appropriation for School Safety upgrades and were now presenting a portion of that from the Board of Finance for approval at this meeting (see Item # 17, requested under suspension of the rules).

Note: Items are Shown in Order of Consideration

Revaluation Review

- Item 4** Discussion/Additional Appropriation in the amount of \$100,000 to hire additional personnel to review anomalies in City property valuations. No Action Taken
- Action Requested:** Discussion/Appropriation
- Amount:** \$100,000
- Fund/Budget:**
- Submitted by:** Tim Abbazia, Chairman
- Video: 00:05 Director of Administration Handler spoke about the reviews undertaken by his department in response to a series of inquiries from citizens regarding issues relating to their tax increases after revaluation. He advised that while it was too soon to come to a judgment, his sense from the hearings already conducted was that most residents argued not with their valuation, but with their tax increase, adding that the information provided by residents did not point to changes in the valuation. He did state that the exception was one case where a clerical error was found in square footage, now corrected, and would result in an adjustment of taxes. He further stated that at this point, he did not believe an audit was warranted. Mr. Martin recommended that co-ops and commercial properties be included in any review, and Ms. Murphy stated that she preferred that an outside firm be engaged for this purpose. Board of Reps Member Jay Fountain provided the Board with input from their fiscal committee should the Board decide to pursue an audit, which was his stated recommendation even if it showed that there was no systemic problem with the revaluation. Mr. Louizos suggested that utilizing the City's website to advise residents of their options which included appealing their taxes in the next year when they could be adjusted, cost no money and was the appropriate course of action. The Board thanked Mr. Handler for this update.

OFFICE OF LEGAL AFFAIRS

Additional Appropriation

- Item 6** Request for Approval of Additional Appropriation in the amount of \$56,211 to hire a permanent part-time Freedom of Information Officer to receive, assess and disclose information in response to Freedom of Information requests. **Approved**
- Action Requested:** Additional Appropriation **5-1-0**
- Amount:** \$56,211 **Motion by**
- Fund/Budget:** **M. Rinaldi**
- Submitted by:** Joe Capalbo, Director of Legal Affairs **Seconded**
- Video: 00:23 Mr. Capalbo advised that this position was warranted and necessary to deal with the significant number of requests for information under FOI, in order to ensure that all requests were answered properly, a contact provided, and to track and monitor **J. Louizos**

every request. Ms. Rinaldi asked if the new employee would be an Attorney (Mr. Capalbo said yes) and if the person would receive benefits (yes to this also, per Mr. Hricay). While Ms. Murphy objected to this position, the Board acted to approve this request by a vote of 5-1-0, with Ms. Murphy casting the dissenting vote.

ITEM HEARD UNDER SUSPENSION OF RULES

Board of Education-Supplemental Capital Request

Item 17	Request for Approval of Supplemental Capital Appropriation in the amount of \$815,000 in order to implement safety upgrades at City schools.	Approved
Action Requested:	Supplemental Capital Appropriation	6-0-0
Amount:	\$815,000	Motion by
Fund/Budget:	Capital	J. Louizos
Submitted by:	Mayor Michael Pavia/Board of Education	Second
Video: 00:32	On a motion by Mr. Martin, which was seconded by Mr. Louizos, the Board agreed by unanimous vote to hear this item under suspension of the rules. Superintendent Hamilton, pointing to two volumes of research gained from reviewing the school safety systems at city schools, stated that this research provided the Board of Education, along with recommendations from the Police Department, with 7 consistent security issues which warranted improvement and correction. Three priorities were determined that could be acted on now including upgrade and increase of cameras, multiple portals for the intercom system, and alert buttons connected to computers and with GPS, to allow for quick communication among personnel in the event of a safety breach. While there were additional upgrades to be requested later, these immediate priorities totaled \$815K including an architect's review. Ms. Rinaldi asked where the funds would be gained (Mr. Hricay stated that there were ample funds in the capital non-recurring account). Mr. Martin suggested that they needed two approvals, one of the new project, and the other of the funding source, suggesting that the latter was lacking. Director of Administration Handler stated that City funds would be fronted if necessary, to allow the Board to expedite this project. Mr. Louizos said that all of the original 7 issues should be dealt with, citing locks as also being a priority. Ms. Hamilton stated that they were already working on this, and would come back before the Board after the architect's determination was made with an additional request. On a motion by Mr. Louizos, which was seconded by Mr. Martin, the Board approved this item by unanimous vote.	D. Martin

OFFICE OF PUBLIC SAFETY

Springdale Volunteer Fire Department

Item 9 Request for Approval of Additional Appropriation in the amount of \$115,500 to cover funding for the fiscal year 2013-14.

Approved for Lesser Amount of \$12,833.33 5-0-0

Action Additional Appropriation
Requested:
Amount: \$115,500 Requested; \$12,833.33 Approved
Fund/Budget: Contingency
Submitted by: Ted Jankowski, Director of Public Safety/Chief Fahan
Video: 00:55 Volunteer Chief Fahan reviewed his budget, stating that in order to make ends meet, the department was utilizing both donations and loans, so needed this funding in order to operate. In response to a question from Ms. Rinaldi, Director of Legal Affairs Capalbo advised the Board that the pending court case which was sought to compel the City to provide said funding was at the point of jury selection, but he was optimistic that an agreement could be reached as there were just two contentious issues remaining. Mr. Bosak asked Chief Fahan for records of response times. After some discussion, the Board decided to provide one month of funding for each of Springdale, Long Ridge & Turn of the River so that they could continue to operate, with the understanding that they come back again next month for additional funds. On a motion by Mr. Bosak, which was seconded by Mr. Louizos, the Board agreed by unanimous vote to approve \$117,791.67 for Long Ridge, \$25,666.66 for Turn of the River and \$12,833.33 for Springdale, each representing one month of the remaining 9 months of funding requested. (Mr. Martin left the meeting prior to this item, citing a previous commitment).

Supplemental Capital Appropriation: Street Patch Resurface

- Item 12** Request for Approval of Supplemental Capital Appropriation in the amount of \$126,000 to resurface walks at Michael J. Drotar Park and to resurface parking lot at Inspirica located at 8 Woodland Place. **Action taken as Noted**
- Action Requested:** Supplemental Capital Appropriation
Amount: \$126,000 Requested; \$50,000 held for Michael J. Drotar Park portion. Balance of \$76,000 failed
Fund/Budget: Capital: C56182: Bonds \$77,790 \$48,210:Inspirica Contribution
Submitted by: Lou Casolo, City Engineer
Video: 01:43 Ms. Rinaldi asked why the City was paying for resurfacing of

a parking lot not owned by the City, referring to Inspirica. City Engineer Casolo explained that it was a cost share, with the City contributing just the top portion and also advising that the Health Department said that Inspirica provided a vital service. Ms. Murphy, noting that she recognized that these organizations do provide a benefit, also said that the City should not be paving their parking lots. Mr. Louizos wanted to make sure that the City was indemnified if they did so. Mr. Casolo relayed that the work sought for the Michael J. Drotar portion, which the City owned, was not a luxury, but a needed improvement. On a motion by Mr. Louizos, which was seconded by Ms. Rinaldi, the Board acted by unanimous vote to hold the portion of the appropriation related to the walks at the Michael J. Drotar Park, noted as \$50,000. On a motion by Mr. Louizos, which was seconded by Mr. Bosak, the Board failed the remaining request of \$76,000, by a vote of 3-1-1, with Ms. Murphy dissenting and Ms. Rinaldi abstaining.

Mr. Casolo advised that the Board of Education had very little funds left in their paving account, but this would improve the parking lot and he would program it in at the earliest opportunity. Ms. Murphy stated that other funds should be 're-purposed' rather than seeking an additional appropriation. Ms. Rinaldi concurred, stating that there were \$18M in other open projects that could be re-prioritized. Mr. Abbazia stated that this was a smart investment of City funds, and Mr. Louizos said that he would recommend approval, with the advice that other capital projects be turned back first, noting that as a Board policy. On a motion by Mr. Louizos, which was seconded by Mr. Bosak, the Board failed this request by a vote of 3-2-0, with Ms. Murphy and Ms. Rinaldi casting the dissenting votes.

| Video: 02:05 | Ms. Rinaldi advised that she would neither participate in discussion or vote on this item, and left the floor. Prakash Chakravarti, who advised that he is managing this project, stated that the City managed this pumping station, but the equipment was old and due to the work in the south end, it had to be protected, which these funds would achieve. He said that the grant funds were received, but not yet assigned. Ms. Murphy asked for a copy of the Grant application, which Ms. Cammarota agreed to provide. The Board acted to approve this item by unanimous vote. | |

| Video: 02:11 | Ann Brown reviewed the scope and limits of this project, stating that Phase II was a continuation of Phase I. She advised that there were five bidders for this work, with the low bidder of \$12.9 million being awarded the job. The project was noted as containing a 2 year schedule, with construction and necessary demolition already having started. Mr. Louizos asked about lessons learned from Phase I, with Ms. Brown noted as urging the utility companies to 'go new' as much as possible and to get the materials off-site so as not to block the roads. She also provided charts of funding and bonding information as sought by Ms. Murphy, with Mr. Hricay adding that all but \$150K of bonds were issued. | |

Ms. Rinaldi advised that she wanted to see how departments were handling any big cuts, including those made in personnel areas, made by the Boards to learn what they were doing to adjust to these cuts. Mr. Hricay said he would speak to this at the September meeting, agreeing to get in touch with Ms. Rinaldi to insure her questions were answered. Mr. Louizos asked that the Board of Education be invited back to talk about the additional safety items not requested within the \$815K (see item # 17), and Mr. Bosak wanted Smith House to speak to their A/R collection status. Ms. Murphy wanted to look at a new scrap metal incident.

Next Regular Meeting of the Board: Thursday, September 12, 2013 @ 7:00 P.M.

Adjournment: On a motion by Mr. Louizos, which was seconded by Mr. Bosak, the Board agreed by unanimous vote to adjourn this meeting at 9:50 PM.
