**OFFICE OF THE MAYOR**

*Discussion-Requested Under Suspension of the Rules*

<b>Item 21</b>	Update: Contract Negotiations		<b>Update: No Action Taken</b>
	<b>Action Requested:</b>	Update	
	<b>Amount:</b>	\$	
	<b>Fund/Budget:</b>		
	<b>Submitted by:</b>	David Martin, Mayor	
	Video: 00:00	Mayor Martin relayed to the Board that he would like to update them on contract negotiations, nothing of which could be shared in open session. On a motion by Mr. Williams, which was seconded by Ms. Rinaldi, the Board agreed by unanimous vote (Mr. Freedman was not present for this vote) to hear this item under suspension of the rules. On a second motion made by Ms. Rinaldi, which was seconded by Mr. Bosak, the Board also agreed by unanimous vote, to hear this item in executive session due to on-going union negotiations and discussion of strategy. In addition to Board of Finance Chairman John J. Louizos, Vice Chair Mary Lou Rinaldi and Members Richard Freedman (who joined the session in progress), Dudley Williams, Sal Gabriele, and Gerald Bosak, the following individuals took part in executive session: Mayor David Martin, Chief of Staff Michael Pollard, Director of Administration Michael Handler, Director of Legal Affairs Kathy Emmett and Human Resource Director Clemon Williams. After approximately 30 minutes, the Board exited executive session, with Chairman Louizos stating that no action was taken.

	that was introduced this year, stating that the objective is to increase transparency by showing program costs combined with performance metrics to measure the value of the program. He added that this was a format which was consistent with the other 9 municipalities that were reviewed, all having multiple budget books as opposed to just one. Chairman Louizos asked Board members to submit their comments to the Clerk of the Board by July 1, after which the Chairman would review and then provide to Mr. Pollard. Mr. Bosak stated that he would like Police Department investigations to be included as a program.

**Discussion**

<b>Item 2</b>	Update: Status of Magnet School Application		<b>Update: No Action Taken</b>
	<b>Action Requested:</b>	Update	
	<b>Amount:</b>	\$	
	<b>Fund/Budget:</b>		
	<b>Submitted by:</b>	Michael Pollard, Chief of Staff	
	Video: 00:11	Chief of Staff Pollard advised the Board that after the City provided a required revision, the Legislature passed the operating portion of the magnet school funding. He advised that the capital funds were contained within a bucket with all other towns and that these would be collectively acted upon when the session goes back, adding that it was highly unlikely that these funds would also not be approved. He expected this to happen by July 1 and praised the efforts of both Senator Leone & Representative Carolina Simmons for their efforts in bringing this to fruition. The Board thanked Mr. Pollard for this update and asked that he let them know when the final portion of the funding ('implementor packet') was determined.	

**Approval of Agreement**

<b>Item 3</b>	Request for Approval of Agreement between the City of Stamford and the Mill River Collaborative for the provision of services for the Construction of Improvements, Programming, Maintenance & Repairs of the Mill River Park and Greenway for the period July 1, 2015 through June 30, 2025 with a 5 year renewal term upon expiration of agreement.		<b>Approved</b>

Corporation Counsel Emmett clarified that the contract recognized that the City's funding was dependent on its budget process and was a goal as opposed to an obligation. Mr. Freedman asked what the recourse was if this Board did not agree with how Mill River was using the funds, which Ms. Emmett responded to by citing the Termination clause in the contract. Ms. Rinaldi asked if the City would see a reduction in City employee work in the park due to the success of the donations, to which Mr. Puryear responded that the maintenance was 98% performed by the Collaborative. Mr. Williams asked if there were naming rights which may be attributed to the Collaborative for Scalzi, which was answered in the negative by Director Emmett. The Board acted to approve this agreement by unanimous vote.</p>

	<b>Submitted by:</b> Jon Fontneau, Chief of Police	<b>Second</b>
	Video: 00:25 City Grants Administrator Karen Cammarota reported that the City received more FEMA money than budgeted for this grant and they were going to use the funds to help support the Emergency Management Director salary & benefits. Noting that the Grant contained a 50% match, Mr. Bosak added if this grant was previously 100%. Ms. Cammarota advised that for as long as she could recall, that Federal law provided that the City match the funds dollar for dollar.	<b>D. Williams</b>

*Education through Adventure Grant*

<b>Item 5</b>	Request for Approval of Additional Appropriation in the amount of \$195,765 to continue operation of the program which operates at Scalzi Park and is staffed by seasonal, trained adventure facilitators.	<b>Approved</b>

Video: 00:28	Karen Cammarota reported that the Glenbrook Neighborhood Association asked the City to apply for these grant funds on their behalf to allow them to research and document any historic properties within their neighborhood with the intent of getting on the registry of historic places. Mr. Freedman asked who was performing the survey, to which Ms. Cammarota advised that the association would engage an architect to perform this work. Mr. Bosak asked about the nomenclature of the grant, which was characterized as such according to Ms. Cammarota due to the fact that the application for the funds must be sought by a Certified local Government, adding that the City also did this previously for the Hubbard Heights Association	<b>G. <b>Submitted by:</b>	Mani Poola, City Traffic Engineer	<b>Second</b>

Minutes: Thursday, June 11, 2015

Video: 00:29	Traffic Engineer Poola reported that this is a new capital project, which Traffic Engineering has been working on for years, to replace 20 miles in the City of the old copper lines with new fiber optics. Chairman Louizos asked Mr. Poola to state the advantage of this, to which Mr. Poola advised that the new fiber optics had the benefit of being used by other public agencies in the future such as the Police & the Board of Education . In response to a question from Mr. Freedman, Mr. Poola stated that the purpose of the installation was to enable the City to monitor traffic signals from the central system. Mr. Poola also responded to a question from Mr. Gabriele who asked who was doing the work (the City) and from Mr. Williams who asked how long it would take to complete, which was noted as the end of the year. Chairman Louizos asked Mr. Poola to confirm that there was no more expense incurred by the City excepting the aforementioned labor, which was replied to in the affirmative.	<b>S. Gabriele</b>

**BOARD OF EDUCATION**

***Additional Appropriation: Special Education Costs***

<b>Item 11</b>	Request for Approval of Additional Appropriation in the amount of \$459,190 to help defray increases in Special Education costs which are projected to exceed the current fiscal year's budget by approximately \$628K.	<b>Held</b>
	<b>Action Requested:</b> Additional Appropriation	<b>5-1-0</b>
	<b>Amount:</b> \$459,190	<b>Motion by</b>
	<b>Fund/Budget:</b> BOE: FY 13-14 Surplus Funds of \$459,190	<b>J. Louizos</b>
	<b>Submitted by:</b> Jackie Heftman, President: Board of Education	<b>Second</b>
Video: 00:34	Board of Education Finance Director Murphy asked the Board to approve the use of prior year surplus funds (making reference to an existing M.O.U. which allowed for these funds to carryover) for special education costs, noting that they were \$1.9M over budget due to a rise in special education students from 450-2100 over a 3 year period coupled with an increase in therapy and counseling costs. Vice Chair Rinaldi noted that the M.O.U. agreed to was strictly limited to capital improvements, Pension and OPEB use, and that this Board was being asked to approve almost \$500K at 'the eleventh hour', also noting a swing from a stated budget excess in April to a large deficit, asking 'who was minding the store'. BOE Finance Director Murphy apologized for the late notice, stating that while they froze the budget as early as February, they thought they were on track in early May. Education Committee Chairman Williams stated that while the timing of the request could have been better handled (also, see "Reports to the Board" section above), he recommended that for every student that was added, this should trigger monitoring of the tuition budget. Mr. Bosak, referring to a paper which delineated the use of a \$1.1M Medicare reimbursement, said that this was contrary to what he was told at the committee meeting, adding that he was tired of being lied to. Mr. Murphy stated that he did not have the budget information with him at the committee meeting, but said that the funds were 86% used for Special Education costs. Board of Education President Heftman said that \$3.4M was cut from their budget during the budget process, and that the tighter the budget gets, the less able they are to absorb additional costs. Mr. Gabriele suggested that the reason why they were in deficit was due to the Pullman & Comley study stemming from BOE personnel 'failing to report' according to State statute, now putting residents on the hook for these costs. Ms. Heftman acknowledged that this was a very difficult year for the Board of Education and that they could only learn from what happened to prevent it from happening again. While Education Committee Members Freedman & Williams expressed their willingness to support this request, Ms. Rinaldi stated that they were concerned about 'spending	<b>M. Rinaldi</b>

Director of Administration Handler, while not condoning the handling of the BOE budget, advised that the City could afford to transfer funds to the Board of Education if it had to, asking the Board of Finance to get their message across in some other way than ending the year in a deficit, adding that this would be viewed as a negative by both rating agencies and potential investors alike. Chairman Louizos concurred, stating that he did not want to punish the City or harm their good financial status, adding that this item may be better considered at a later meeting, to be held by the end of the fiscal year. On a motion by Mr. Louizos, which was seconded by Ms. Rinaldi, the Board then agreed by a vote of 5-1-0, with Mr. Williams dissenting, to hold this item. (Later in the meeting, the Board agreed to hold a special meeting on June 30 to again consider this item.)</p>

	Video: 01:15 Board of Education Finance Director Murphy asked the Board to approve the use of funds put in reserve in prior fiscal years, now amounting to \$299,840, for use this year for energy costs which exceeded the budget by \$98,000. The Board acted to approve this appropriation by a vote of 4-2-0, with Mr. Bosak and Ms. Rinaldi casting the dissenting votes.	<b>S. Gabriele</b>

	<p>Bedford Street, allow the ownership of the Hoyt Barnum House presently located on the property to remain with the Stamford Historical Society &amp; move the Hoyt Barnum House, under the watch of a qualified architect and “very carefully” to 1508 High Ridge Road. He stated that upon approval of this agreement by the 3 Boards, the City will pay the Stamford Historical Society (SHS) \$1M less \$200K in cash (to SHS) less the cost of repairs &amp; renovations (designed to reduce operating costs) and less the relocation costs of the Hoyt Barnum House, whereupon SHS may keep any balance. Mr. Handler advised that the \$1M total also approximates the appraised value of the land the City is receiving, and added that the agreement also includes extension of a Lease agreement for the Martha Hoyt School at 1508 High Ridge Road. He responded to questions from Mr. Bosak about the process for removal of trees, necessary for clearing the land, while noting that the lease also provided for cooperation to get the Hoyt Barnum House re-listed on the National Register for Historic Places. Director Handled also acknowledged the close cooperation among the City, the SHS, HPAC and HNP to bring this agreement to fruition so that the new Police Headquarters could be built on the intended site, while stating that of paramount importance was the health and welfare of the Police Department employees who were operating in a substandard building. Chairman Louizos praised Mr. Handlers’ presentation, and the Board voted to approve this agreement by unanimous vote.</p>
